

Dear Valued Customers,

Unfortunately, Daytona Golf Club won't be having our famous fish fry in 2023 due to the uncertainty of products and labor. If, and when we're able to obtain our food products on a regular basis, we'll consider bringing the fish fry back. Thank you for making Daytona Golf Club one of the town's most popular fish fry establishments for almost 20 years.

We appreciate your understanding and continued support!
