Happy Spring Golfer Ladies:

That's right, it's the first day of spring and guess what that means? You got it! Golf season is fast approaching and with this comes registration for our awesome ladies golf league at Daytona! Yay!

As many of you know, we have a fun, no pressure league, yet the course is challenging for all (especially me!). And to add to the why we are such a great league, you don't have to commit to every Saturday and you only pay for the Saturdays you sign up for. What can be better than that? We only ask everyone to sign up for the following week of play on the sign-up sheet available at Daytona or by emailing Cheri McCann (cmac880@yahoo.com) no later than end of day Thursdays. Knowing who and how many are playing will help us plan our weekly event and schedule the number of tee times we need to reserve for the morning. We make it simple.

The events are a fun way to improve your game. Most events are covered by your dues so there is no need to pay anything additional to participate. For those of you who want to make a little money on the side, simply sign up for "Skins" (Net/Gross). They both are "optional" and will only cost \$3 total for both (Net \$2/Gross \$1) to participate.

Daytona's Saturday league welcomes newcomers of all levels of ability who are interested in joining in on our fun. Please take time to talk to friends who may be interested in meeting women with similar interests. [Share this email](#) with as many golfer women you know. The more the merrier is our motto!

Now I ask you, who wouldn't want to join a ladies league that has prime Saturday morning tee times (starting at 8:00 a.m.) during the summer? Playing early frees up the rest of your day for other activities such as hanging with your golfer friends after the game while enjoying a yummy sandwich and a cool refreshment at the club. Sign me up already!!!

Take note of the following important dates:

LEAGUE INFORMATION:

2021 Spring Meeting: Saturday, April 23rd, 9:00 a.m. at Daytona Golf Club

League Play: Begins April 29th and ends September 24th

League Banquet/Luncheon: September 24th

League Dues: \$75 by April 15th, 2022 (see attached form)

Breakdown of dues:

Individual handicap fee=\$30

You need an 18 hole GHIN handicap through Daytona to play in the league. If you have an 18 hole GHIN handicap from a different course you still need to get an 18 hole handicap through Daytona.

Note: If you were a member in our league last year and will not be rejoining for the 2022 season, please email Cheri so she can remove you from the GHIN system otherwise the league gets charged.

Event Fund=\$45

The event fund money goes to the weekly/season event payouts. All the prize money will be distributed at the banquet in the fall. Money, money, money!

Again, a weekly sign-up sheet is encouraged to be used to determine the number of tee times needed and event planning. If you can't sign up or cancel in person please email Cheri as soon as possible.

Should you have any questions about the league, feel free to contact Daytona directly or reach out to any of the officers listed below:

We are looking forward to seeing you all!

Terry, Cheri & Patti

Acting President: Terry Rawlings (terry_rawlings@yahoo.com)

Acting Treasurer/Events-Cheri McCann (cmac880@yahoo.com)

Acting Secretary-Patti Neil (neilphotography@comcast.net)

DAYTONA GOLF COURSE: 763-427-6110 or daytonagolfclub.com
